### What Others Say About [www.cilc.org](http://www.cilc.org)

*"Finding CILC's website was such a blessing! It provides a great way to look for programming that matches our curriculum objectives – very specific to Katy, Texas. And, CILC keeps me up-to-date on new programs that suit my campus needs."*

- Instructional Technology Facilitator

*"The CILC website is a great resource for our teachers in meeting their state curricular standards - embracing valuable technology that supports their curriculum and enhances their classroom. Teachers are able to use the most appropriate resources from anywhere in the world to improve teaching and student learning. Students are thrilled with another way to learn. They love the technology and the ability to share data and compare impressions with students in other locations."*
