

Literacy Package

Enhance Education Outcomes
CILC is dedicated to enhancing educational outcomes by providing a comprehensive package along with the necessary planning, training, coaching and support needed for teachers and ultimately students to succeed.

This videoconferencing package provides content immersion, exposure to experts, support for classroom interaction and delivery while instilling confidence in teachers and students as they immerse themselves in literacy programs.

Expose your students to programs that highlight interdisciplinary 21st century reading and writing activities supporting comprehension and communication skills. Students interact with authors, living history museums, national archives, story tellers, science centers and theater programs.

Components of package include:
20-24 Programs
3-4 PD Programs
4 Workshops
2 Coaching Sessions
1 Curriculum Planning Meeting
4 CILC Premium Service Accounts

Price: \$10,200
