Early Spring Wildflowers

By late-March or early-April spring has sprung and the first wildflowers start to bloom. Here are some of the early bloomers you can find in our nature sanctuaries and along the trails at RBG.

- **Yellow Marsh Marigold**  
  *Caltha palustris*

- **Eastern Spring Beauty**  
  *Claytonia virginica*

- **Bloodroot**  
  *Sanguinaria canadensis*

- **Coltsfoot** (non-native)  
  *Tussilago farfara*

- **Sharp-lobed Hepatica**  
  *Hepatica acutiloba*

- **Round-lobed Hepatica**  
  *Hepatica americana*

- **Yellow Trout Lily**  
  *Erythronium americanum*

- **Eastern Skunk Cabbage**  
  *Symplocarpus foetidus*
